POLICY

1. School profile

Kialla West Primary School was established in 1876 and is located 7 kilometres South of Shepparton. Shepparton is a large provincial centre located two hours north of Melbourne. Students attend the school from the fast growing Kialla area and from the farms to the South of the school. The school

has an enrolment of 196 students. KWPS currently has 16 equivalent full time staff including; 1 Principal class, 13.2 Teaching, and 1.8 Educational Support Staff.

The school's values of Pride, Excellence & Resilience are promoted throughout the school and community. Programs such as the Resilience Project, Community Learning & Investigation Learning support independent student learning in the classrooms. Teachers support this independent learning endeavour by providing a supportive learning environment for students to achieve their personal best in social and academic outcomes. The school community is supportive of the school who in turn values its local community.

Technology is used to assist learning in all curriculum areas, with a particular focus on literacy and numeracy. The school uses iPads to assist with the children learning in flexible learning spaces. The school has a 1:1 grade 3-6 iPad program. This has enhanced the opportunity and quality of individualised teaching and learning.

Specialist teachers provide the children with Physical Education, Italian and Art lessons. The school provides an Outside School Hours Care program, Active After School Sport and combines with Primary Schools to assist parents to facilitate weekend sporting teams.
