## Principal's Corner:

### Welcome to Term 2

I hope everyone has had an enjoyable Easter. I was able to spend a little bit more time at home with my family than normal.

We return to a new learning environment this term, with restrictions put in place due to the risks associated with COVID-19. The current message from DET is that children who can be at home must be at home to do their learning.

This week our children have begun their remote learning. The children are becoming more familiar with the use of the SeeSaw app. I have seen some excellent photos and videos from our teachers and children already. It is pleasing to see everyone trying their best with their learning in this new format and after some further experience with this platform our children, parents and teachers will be more proficient with this learning.

The classroom teachers will be contacting every child by phone each week and they are available via email or through the SeeSaw app. If families do not have a suitable device to do the online learning, please contact your teacher to borrow a school device.

I would like to thank everyone for their ongoing effort and support to deal with this current situation. I will keep you informed of any changes to the attendance restrictions. We will get through this, it is just going to take some time.

Please take care.

## Office News:

### Book Club

Book Club this term is going to look slightly different. For the first time in the history of Scholastic, they are having a *Virtual Book Club* for Term 2. The only real difference for us is that the catalogue will only be accessible online using the following link—

<https://scholastic.com.au/book-club/virtual-catalogue-1/>

Families will still need to place their Book Club order online; this will need to be done by **Wednesday 6th May.**

Once the orders arrive we will notify families of how these will be distributed. A notice has also been placed on our school communication app, SkoolBag, containing the link for this term's catalogue.

Happy Book Clubbing!
